

Hospital Comments on Quality and Cost

Hip Fracture

[Link to General Comments on Quality and Cost from all hospitals](#)

Reporting Hospitals:

- Brockton Hospital
- Cooley Dickinson Hospital
- Massachusetts General Hospital
- Winchester Hospital

Brockton Hospital

A review of cases during this time period demonstrated patients admitted with serious medical conditions, such as cancer. These patients were admitted to the hospital, with Do Not Resuscitate orders at their request, due to these other medical conditions.

Cooley Dickinson Hospital

Two hip fracture patients were on Hospice.

Massachusetts General Hospital

MGH cares for a high proportion of referral and nursing home patients that come to the hospital, not all of whom are well enough to undergo surgery.

Winchester Hospital

Winchester Hospital's mortality rate is statistically consistent with expectations, and our estimated cost per procedure is within the lowest 25% of hospitals in the study.
